WHY SHOULD YOU GO FOR COMPREHENSIVE PACKAGE - LCP?

- LCP program covers repairs related to major aggregates – Engine, Gearbox & Differential, also it covers repairs related to clutches, brakes, wheels, hubs and steering system as defined in inclusion list.
- You thus know exactly what the service will cost in advance & you get all your costs summed up in a single invoice.
- Administration is much simpler which leads to convenience in fleet management
- Regular maintenance and repairs result in higher resale value of vehicles.
