Value-added Coverages	Top up (Engine oil) between scheduled services	X	X	X	X	✓
	Breakdown assistance**	X	X	X	✓	✓

*- Applicable for CNG models,

**Breakdown assistance coverages are on parts covered under AMC only. Towing charges are not covered.

a) Any part not explicitly listed above and not forming part of any specified assembly or sub-assembly shall **not** be covered under the AMC.

b) The details, scope, and inclusions of AMC packages are subject to change without prior notice.

c) The “TimeCare” package is applicable for low running vehicles, wherein engine oil and engine oil filter replacement shall be carried out once per year, irrespective of kilometers run. Engine oil and engine oil filter replacement under this package will be provided only once during the annual period and shall not be repeated in the same year, even if the vehicle achieves the scheduled service kilometer interval

d) Lift axle bushes are covered only for Pro 6048 under the Advance Plus package.

e) AC compressor coverage is applicable only for Pro 8035XM/Pro 8028XM under the Advance Plus Package only

f) All filter replacement shall be covered only during scheduled services, as defined in the OPM.

g) Coolant top up between scheduled services is not covered under AMC.

h) Clutch and brake system burning cases are excluded from coverage under this package.

i) Refer to the customer’s AMC contract copy for detailed terms & conditions of AMC offering.

Exclusion: List of Parts not covered under AMC		
Aggregate Type	Part descriptions	Coverage
Consumables	Ad-blue/DEF	X
Daily Inspection	Daily general inspection, Daily washing, Grease for chassis Greasing	X
Axle	Axle Beams, Rear Axle Housings, Axle Shaft	X
Frame	Chassis Frame, Cross Members Fifth Wheel Coupling, Casting Parts	X
Suspension	All suspension parts, Cab Suspension	X
Cabin & Body	Cabin & Accessories including Painting/denting	X
	Windshield Glass	X
	Body parts, All plastic parts and tanks including Fuel Tank, Deration Tank and caps	X
	Upholstery/floor mats/seats/Plastic Items (like- Dashboard/Handles/trims)	X
Load Body	Load Body /Subframe/Tail Gate	X
Tipping system	Hydraulic tipping system & related maintenance, PTO	X
Electricals	All Sensors, Bulb and Lamps including head lamps, Fuse, Sockets, and Relay	X
	ABS Unit (ECU), Switches, Wiper Blade & Arm	X
	Battery & Battery cables	X
	Telematics and DSMS	X
EATS & DPF	DEF tank	X
Air conditioning System	HVAC system including bus not limited to Refrigerant, AC compressor, Blower unit, Plastic & Rubber Pipes,	X
Wheels and Tyres	Wheel Rim, Wheel nuts/bolts, Tyres, Tubes, Flaps, Wheel alignment	X
